

How Can You Stretch Your School's Budget Without Sacrificing Quality?

We know budgets are tight — but curriculum shouldn't be where you cut corners.

High-Quality Digital Instructional Tools for Just \$20 Per Student

What's Included in Each Digital License?

- ★ **Full Digital Program in Reading Language Arts, Math, or Science**
Grade-level aligned, student-friendly, and instructionally robust
- ★ **Bilingual access at no additional cost**
Unique, standalone content
- ★ **Digital Copy of RTI Workbook included with RLA and Math**
English & Spanish Versions
- ★ **Completely different content from print workbooks**
A perfect complement if you're already using print!

+ ADD ON OPTION!

BME Assessment

Schools may add our Beginning–Middle–End of Year Tests for just **\$10 more per student license for any digital subject purchased.**

- ★ Three individual assessments to measure progress at three different times during the school year
- ★ Use practical data to drive instruction
- ★ Designed to complement your chosen digital subject
